

If you are interested in being involved in our District's Rotex program you will need to complete the following official volunteer clearance process before you may attend and be involved with the RYE program.

Contact Kristin Pires - District Rotex Coordinator on the Contact page of this website. Include the subject "Rotex" and following information.

1. First and Last Name
2. Date of birth
3. Your exchange year (ex. 2016-17)
4. Sponsor (American) Rotary Club
5. Country of your exchange

IF YOU ARE 18 YEARS OR OLDER, YOU THEN NEED TO COMPLETE THE FOLLOWING VOLUNTEER CLEARANCE PROCESS WHICH INCLUDES A CRIMINAL BACKGROUND CHECK (*note this is an annual requirement, meaning when your clearance expires, the database will contact you and you will need to renew your background check for continued participation in the program). If you are still a minor, you will not need to do this until you turn 18.

Go to the following website to: <http://yehub.net/W23-volapp>

Complete the background check information.

Please note that you need select from the club pulldown menu the 'Rotex' club.

You do not need to take any online tests, only fill out your references (You may list me as a reference but you need to contact me to get my information) and then two other people who will be quick to get it done. Use people with e mails such as Gmail, Hotmail, Yahoo or Aol...not work or school/college e mail addresses, as those usually get blocked.

Once you receive an email back stating that your background check has come back "approved", you will then **forward Kristin the e mail with the attached letter of approval.**

It is only then that you will be allowed to participate at RYE weekend events.

If you have any questions, please contact Kristin.
